End-User License Agreement (EULA) - SIROS ID Platform

Effective Date: 2026-01-13

Last Updated: 2026-01-13

Welcome!

This document describes the terms governing the use of SIROS services and platforms.

By accessing or using our services, you acknowledge that you have read, understood, and agree to the terms outlined in this End-User License Agreement (EULA). These terms are designed to ensure transparency, security, and trust for all users and partners.

Introduction

This End User License Agreement ("Agreement") is a binding legal contract between **SIROS** ("Company," "we," "us") and you ("User" or "you"). This Agreement applies to your use of the SIROS ID platform (the "Service"), whether accessed via any of the clients provided by SIROS or by using the SIROS ID platform to issue or receive digital credentials and credential presentations. By downloading, installing, accessing, or using the Product/App, you acknowledge that you have scrolled through and actively clicked an "I Accept" button, thereby agreeing to be bound by the terms of this Agreement. This constitutes a legally binding "Click-Wrap" Agreement.

We strongly recommend that you read these terms carefully. This Agreement defines the boundaries of trust between SIROS, the User, and relying organizations, allocating responsibility for potential fraud, misuse of digital credentials, and outlining your rights and responsibilities.

1. Acceptance of Terms and Agreement to Updates

1.1. Acceptance: By creating an account, downloading, installing, or utilising the **SIROS ID** platform (the "Service" or "Product"), you confirm that you have read, understood, and agree to be bound by these Terms. If you are using the Service on behalf of an entity, you represent that you have the authority to bind that entity to these Terms.

1.2. Version Logging and Notification of Changes: We reserve the right to update or modify these Terms at any time. We will provide notice of significant changes, and you will be required to re-accept the updated Terms to continue using the Service. We will maintain a clear log of which version of these Terms each user has agreed to. Your continued use of the Service after any such changes constitutes your acceptance of the new Terms.

2. Eligibility and User Representations

By using the SIROS ID Platform, you represent and warrant that:

- You are at least **18** years of age or are legally allowed to register for the service in your jurisdiction and have the explicit permission of a legal guardian.

- You are the legal owner of the identification documents and credentials you provide.
- All information provided by you is current, accurate, and complete.
- You have not been previously suspended or removed from the SIROS ID Platform by us or any affiliated entity.
- You are using the Service for your personal, non-commercial use only, unless otherwise authorized in writing by SIROS.

3. Scope of License and Permitted Uses

3.1. License Grant: SIROS grants you a revocable, non-exclusive, non-transferable, limited license to download, install, and use the SIROS ID Platform strictly in accordance with the terms of this Agreement. This license is for your personal, non-commercial use only, unless otherwise authorized in writing by SIROS.

3.2. What You Are Allowed To Do:

- Create and manage your digital identity profile within the SIROS ID Platform.
- Securely store and share verified credentials with authorised third parties through the SIROS ID Platform.
- Use the SIROS ID Platform on devices owned or controlled by you.

4. Prohibited Conduct and Unlawful Use (Anti-Fraud Policy)

You agree not to do any of the following, and acknowledge that any such actions may result in immediate termination of your access and potential legal action:

- **Spoofing:** Attempt to bypass biometric checks using photos, videos, masks, deepfake technology, or any other method intended to deceive the biometric authentication system integrated with the SIROS ID Platform.
- **Identity Theft/Impersonation:** Impersonate any person or entity or misrepresent your affiliation with a person or entity while using the SIROS ID Platform.
- **Tampering/Fraudulent Documents:** Submit altered, forged, or "doctored" government-issued identification documents or any other fraudulent credentials to the SIROS ID Platform.
- **Automated Access:** Use bots, crawlers, scripts, or any automated means to access the SIROS ID Platform, harvest data, or interfere with its operation.

- **Reverse Engineering:** Attempt to decompile, disassemble, or reverse engineer, or otherwise attempt to derive the source code or underlying algorithms of the SIROS ID Platform or our biometric matching engine.
- **Unauthorised Access:** Attempt to gain unauthorised access to SIROS's servers, user data, associated networks, or any part of the SIROS ID Platform not intended for public access.
- **Commercial Exploitation:** Rent, lease, lend, sell, or redistribute the SIROS ID Platform to third parties without explicit written consent from **SIROS**.
- **Illegal Acts:** Use the SIROS ID Platform for any unlawful purpose, including but not limited to the storage of fraudulent documents or engagement in any activity that violates applicable laws or regulations.

5. Digital Credential Security & Privacy

5.1. User Responsibility: You are solely responsible for maintaining the confidentiality and security of your digital keys, passwords, PINs, and any other login credentials associated with your SIROS ID account. You must also ensure the mobile device used for the Service is secure (e.g., using screen locks and biometric device security).

5.2. Unauthorised Access/Breach Notification: You must notify **SIROS** immediately at info@siros.org if you suspect or become aware of any unauthorised use of your account, compromise of your digital identity, or a security breach related to the SIROS ID Platform.

5.3. Privacy Policy: Your digital identity involves sensitive personal data. Our collection, use, storage, and protection of this data are governed by our separate Privacy Policy. Please read the **SIROS Privacy Policy** carefully, as it forms an integral part of this Agreement.

6. Third-Party Relying Parties and Services

6.1. Facilitator Role: **SIROS** optionally provides the capability to act as a facilitator of identity verification. We do not guarantee that any third party (such as a bank, government agency, or merchant) ("Relying Parties") will accept our verification as valid for their specific requirements.

6.2. Third-Party Terms: Your interaction with Relying Parties is governed by their own respective terms and conditions. We are not responsible for the acceptance criteria or policies of Relying Parties.

6.3. Dependency on Third-Party Services: The SIROS ID Platform relies on and integrates with various third-party services to function, such as cloud hosting providers, biometric verification engines, and government databases. You acknowledge that the availability and functionality of the SIROS ID Platform are dependent on these third parties.

6.4. No Liability for Third-Party Services: SIROS is not responsible for the performance, privacy policies, or terms of service of these third-party providers.

6.5. Data Sharing Consent: By using the SIROS ID Platform, you consent to the transfer of necessary data to these third-party services for the sole purpose of delivering the Service.

7. Licensing Fees and Payments

SIROS ID is free for end users.

Fees and subscription plans are described at <https://siros.org>. No license fees apply to end users.

8. Disclaimers and Limitation of Liability

8.1. "As-Is" Basis: The Service is provided "as is" and "as available." We do not warrant that the Service will be 100% error-free, uninterrupted, or that any identity service provided will be accepted by all entities. To the fullest extent permitted by law, we disclaim all warranties, express or implied, including but not limited to implied warranties of merchantability, fitness for a particular purpose, and non-infringement.

8.2. Limitation of Liability: To the maximum extent permitted by law, SIROS shall not be liable for any indirect, incidental, special, consequential, or punitive damages, or any loss of profits or revenues, whether incurred directly or indirectly, or any loss of data, use, goodwill, or other intangible losses, resulting from:

- The loss of access to your identity credentials on the SIROS ID Platform.
- Identity theft or fraud committed by third parties.
- Failure of government databases or third-party data sources.
- Your use or inability to use the SIROS ID Platform.
- Any unauthorised access, use, or alteration of your transmissions or content.

- Any conduct or content of any third party on the Service.

8.3. Liability Cap: In no event shall our total liability for any claim arising out of or relating to these Terms or the Service exceed the total fees paid by you for the Service in the twelve (12) months preceding the event giving rise to the claim, or €100 (one hundred Euros), whichever is lower.

8.4. Trust/Risk Score Disclaimer (if applicable): If the SIROS ID Platform provides a trust score or risk score, you acknowledge and agree that any such score is an opinion based on available data and analysis, and is not a statement of fact or a guarantee of identity. SIROS is not liable for decisions made by Relying Parties based on these scores.

9. Termination of Service

9.1. By You: You may terminate this Agreement at any time by deleting the SIROS ID Platform and all copies from your devices and ceasing all use of the Service.

9.2. By Us: We reserve the right to suspend or terminate your access to the SIROS ID Platform immediately and without notice if:

We suspect fraudulent, illegal, or suspicious activity associated with your account.

You breach any part of these Terms.

We are required to do so by a legal or regulatory authority.

We, in our sole discretion, discontinue the Service or any part thereof.

Upon termination, all rights granted to you under this license will cease immediately.

10. Indemnification

You agree to indemnify, defend, and hold harmless SIROS and its affiliates, officers, directors, employees, agents, and licensors from and against any and all claims, liabilities, damages, losses, costs, expenses, or fees (including reasonable attorneys' fees) arising from or relating to your misuse of the SIROS ID Platform, your submission of fraudulent documents, or your violation of these Terms or any applicable law or regulation.

11. Governing Law and Dispute Resolution

11.1. Governing Law: These Terms are governed by and construed in accordance with the laws of Sweden, without regard to its conflict of law principles.

11.2. Arbitration: Any disputes, controversies, or claims arising out of or relating to these Terms, the Service, or the breach thereof, shall be resolved through binding arbitration in Stockholm, Sweden, rather than in court. This arbitration shall be conducted in accordance with the rules of the Arbitration Institute of the Stockholm Chamber of Commerce (SCC). The decision of the arbitrator(s) shall be final and binding on both parties, and judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof. This arbitration clause does not prevent either party from seeking injunctive relief in a court of competent jurisdiction where appropriate to prevent irreparable harm. Notwithstanding the foregoing, either party may assert claims in small claims court if the claims qualify.

12. Contact Information

If you have any questions regarding this EULA or the SIROS ID Platform, please contact us at:
